SUPPLEMENT TO  
REPORT NO.

1. A military ammunition dump, covering an area of about two square kilometers, is located between the Jesenice-Psary-Jilove and the Sulice-Liber district roads, about 2.5 kilometers NNE of the town Jilove (O50/L 86. Eule). (See attached sketch.) Six underground concrete dumps have been finished, and additional dumps are under construction.
2. The construction work is being done by 200 soldiers who are billeted in wooden barracks located above the underground structures. They are prohibited, under threat of severe punishment, to talk about their work.
3. The construction area is surrounded by a double barbed wire fence and is constantly patrolled by military guards.
